This supplement implements and extends the guidance of Air Force Instruction (AFI) 51-401, 19 July 1994. This issuance instructs how AFRC Units conduct the Law of Armed Conflict (LOAC) training and how metric data is reported by them through their AFRC NAF to HQ AFRC for final reporting to HQ USAF/JAI. The AFI is printed word-for-word without editorial review. Air Force Reserve Command supplementary material is indicated by "(AFRC)" in boldface type. This supplement describes Air Force Reserve Command procedures to be used in conjunction with the basic instruction. Upon receipt of this integrated supplement discard the Air Force basic.
